\*Our classroom blog can be used to help your child practice at home. You can use the **Sound** page to listen to the vowels and the **Reading Support** page to listen to the high frequency words.

## English Literacy (grade 3s)

We have 30 minutes of English each day. We have been working on building our stamina for independent reading.

*\*During this time, grade 2s are continuing to work on their oral skills in French.*

## Math

Last week we worked on counting to 100. Your child can practice their numbers by listening to the songs on our class blog (on the **Music** page).

- 3s using starting points that are multiples of 3
- 4s using starting points that are multiples of 4
- 25s, using starting points that are multiples of 25.

This week, **grade 2** students will be working on the following outcome:

**N1** Say the number sequence from 0 to 100 by:
