

# What's Happening in 2/3 FI

September 30<sup>th</sup> - October 4<sup>th</sup>

## Français

We will be working on the following:

- Soft 'g' and hard 'g'
- High frequency words - *a, à, est, voilà\*, devant, deux, aider\*, comme, grand, grande*
- Reading strategy - **use the titles and subtitles and don't read too fast**

\*The high frequency words with the stars are new to the grade 2 students this year.

Please continue to use our classroom blog to help your child practice at home.

Each day your child should be bringing home a book to practice reading. **We are also hoping to start guided reading this week. This means your child may bring home two books to practice reading.**

## English Literacy (grade 3s)

We have 30 minutes of English each day. During writing time we have been working on capitalizing "I" and starting sentences in different ways.

*\*During this time, grade 2s are continuing to work on their oral skills in French.*

## Math

We are continuing to work on counting to 100. This week we are hoping to assess numbers 70-100 as these seem to provide the biggest challenge for students.

This week, **grade 3** students will continue to work on skip counting forward and backwards by 5s, 10s, or 100s, 3s, 4s and 25s. Your child needs to be able to recognize when a pattern is increasing and when it is decreasing in order to find the missing numbers.

Here are examples of questions we may use for assessment:

Continue the following patterns:

425, 450, 475, 500, \_\_\_\_\_, \_\_\_\_\_, \_\_\_\_\_, \_\_\_\_\_

Continue the following patterns:

975, 950, 925, 900, \_\_\_\_\_, \_\_\_\_\_, \_\_\_\_\_, \_\_\_\_\_

This week, **grade 2** students will work on skip counting using dimes and nickels and explaining whether a number is odd or even.

**\*\*100s and 1000s grids are always available for you child to use as a tool to help them solve problems.**

## Reminders

- **LIBRARY BOOK ARE DUE EVERY THURSDAY.** If your child would like to renew their book, they will need to bring it in so we can write a note on it for the librarian.
- **Monday, October 14<sup>th</sup>** - Thanksgiving/NO SCHOOL.
- **Friday, October 25<sup>th</sup>** - Picture retakes.

**Please visit our blog to see what is happening in 2/3 FI!!!**
