

What's Happening in 2/3 FI

November 25th - 29th

Français

We will be working on the following:

- Sounds - in, im, ain, ein, aim
- High frequency words - *garçon, fille, midi*, lui, aussi, fait, fais, me, vient, viens*
- Reading strategy - **make predictions and go back and check your predictions**

*The high frequency words with the stars are new to the grade 2 students this year.

French reading levels for first term report card:

Grade 3 - I

Grade 2 - E

Social Studies/You and Your World

This week students will continue working independently on their letters to a friend.

English Literacy (grade 3s)

Students are given time each week to share what they have been writing during our writing times. They have been doing this with a partner. We have encouraged them to share a positive and a suggestion with their partner.

**During this time, grade 2s are continuing to work on their oral skills in French.*

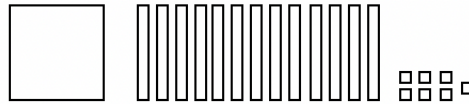

Math

This week, *grade 3* students will begin working on the following outcome:

N5: Illustrate, concretely and pictorially, the meaning of place value for numerals to 1000.

Below is an example of what this outcome might look like on an assessment:

Write the value of the base ten blocks:

This week, *grade 2* students will continue working on the following outcome:

N4: Represent and describe numbers to 100, concretely, pictorially and symbolically.

Below are examples of what this outcome might look like on an assessment:

Write two different expressions for 45.

Read the numbers 34, 67, 74 and 92.
