

What's Happening in 3 FI

September 27th - October 1st

Français

This week we will continue working on the following:

- Sounds - *b, d, f/ph, m, r, p, l, n, z, t, v*
- Sight words - *le, la, les, quoi, quand, nous, ou, où, vos*

We will also be working on the following reading strategy :

- **stretch the entire word (look at the beginning, the middle and the end of a word)**

Students will continue to bring home three books at their independent reading level each week. They can also use the Raz-Kids website to practice reading. I have sent home the login information for this website. **Reading in French at home, whether it be with physical books or online books, is extremely important.** Ideally, your child should be reading every night, even if it is just for 5 minutes.

English Literacy

I am sending home a list of sight words that students need to be able to read by the end of grade 1. We will work on these words in class as well.

Math

Last week we began skip counting forwards by 5s up to 1000. We used our 1000s grid to help with this outcome.

Here are sample questions I may use for assessment:

Continue the following pattern:

441, 446, 451, 456, _____, _____, _____, _____

Continue the following pattern:

294, 289, 284, 279, _____, _____, _____, _____

Attached to this sheet are a few more practice questions. This is a challenging skill and requires extra home practice. Feel free to send it back and I can correct it and send it home with feedback. 😊

Time permitting, we will also be working on counting backwards by 5s, forwards and backwards by 10s and 100s up to 1000.

I regularly have students complete formative pieces of assessment in class. As they are completed, I will be sending them home.
