

What's Happening in 3 FI

October 12th - 15th

Français

This week we are reviewing and practicing the following:

- Sounds - *g (j)*
- Sight words - *a, à, est, voilà, devant, deux, aider, comme, grande, grand*

We will also be working on the following reading strategies for comprehension:

- **use the titles and subtitles**
- **don't read too fast**

You child should practice reading the books in their communication book every night. These books are at their independent reading level or a book they worked on with me during guided reading sessions. Your child can also use the Raz-Kids website instead of reading the books in their communication book.

English Literacy

Your child should be reading at home to develop their reading. They can use the Raz-Kids website or bring home books from our classroom library.

Math

This week we will be skip counting forwards and backwards by 4s and 25s up to 1000. We used our grids to help with this outcome.

Here are sample questions I may use for assessment:

Continue the following pattern:

225, 250, 275, _____, _____, _____, _____

Fill in the missing numbers:

_____, 950, 925, 900, 875, _____

Fill in the missing number:

624, 628, 632, _____, 640, 644

Your child should practice their doubles and near doubles addition facts to 18.

Using Doubles

Problem	My Strategy	Answer
8 + 9	$\begin{array}{r} 8 + 9 \\ \swarrow \quad \searrow \\ 8 + 8 + 1 \end{array}$ $8 + 8 + 1$	17
5 + 4	I know 5 + 5 is 10, so 5+4 is one less than 10	9

Reminders

- **LIBRARY BOOKS ARE DUE EVERY TUESDAY.**
- **POPCORN FOR SALE EVERY THURSDAY FOR \$1.25.**
- **Thursday, October 14th** - Swimming for 3 FI.
- **Thursday, October 14th** - All iPad tickets due to the office.
