

What's Happening in 3 FI

October 18th - 22nd

Français

This week we are reviewing and practicing the following:

- Sounds - **hard c, soft c, s**
- Sight words - *prends, prend, on, ont, merci, à propos, j'aime, un, une, toi, ce*

We will also be working on the following reading strategies for comprehension:

- **ask yourself often the question: Do I understand?**

To be **MEETING** grade level expectations in reading for FIRST term, your child needs to be reading at levels **F-H**.

English Literacy

Coming up with ideas for writing is always a challenge for students. You can help your child by getting them to think of a special moment or event that happened that they could write about. Ideas could include a birthday party, hike in the woods, trip to the park, etc.

Math

This week we will be skip counting forwards and backwards by 25s up to 1000. We will be using our grids to help with this outcome.

We will also be skip counting using dimes, nickels, quarters and loonies. Behind this sheet is a game you can play at home.

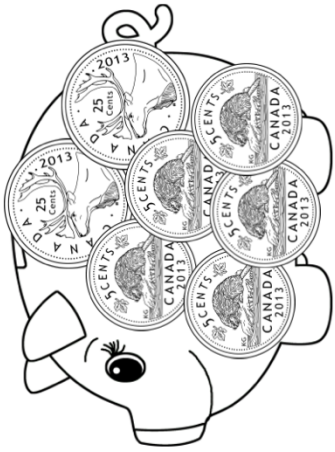

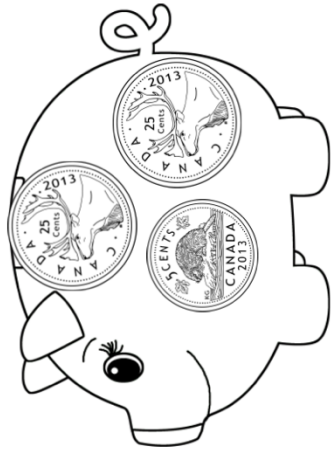

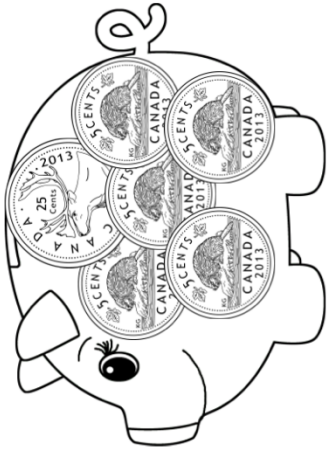

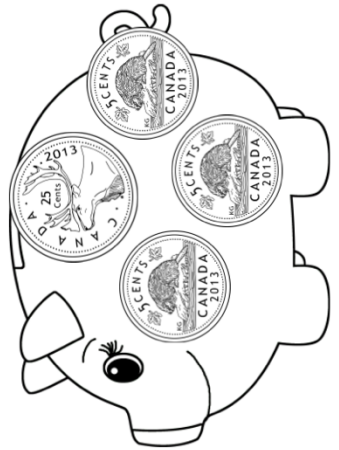

Reminders

- **LIBRARY BOOKS ARE DUE EVERY TUESDAY.**
- **POPCORN FOR SALE EVERY THURSDAY FOR \$1.25.**
- **Scholastic book form information has been sent home for October.** All orders are done online. If you use our class code (RC208716) our class can get bonus coupons for more books for our classroom library.

What's in the Bank? Game 9

Put your playing piece on any bank. Move around the board using a die. When you land on a bank, count the money and find the amount on your board. Cover the space. When you have four in a row, the game is over. Have fun!
