

# What's Happening in 3 FI

October 4<sup>th</sup> - 8<sup>th</sup>

## Français

This week we are reviewing and practicing the following:

- Silent sounds - *h, x*
- Sight words - *ne, pas, presque, haut, lorsque, parce que, trouver, aujourd'hui, tu*

We will also be working on the following reading strategy:

- **identify the sounds you recognize**

I have started working with groups of students on their reading. Students will practice these books a few times with me before bringing them home to practice. These books are a level or two higher than their independent reading level. Please send back books when students have finished practicing.

## English Literacy

We have been working on retelling during read alouds. We talked about how retelling shows how we understood what we have read. We will also continue to work on our writing, doing our best to add periods and capital letters. I also asked students to work on adding more details to their sentences to make their writing more interesting. We will continue to work on these concepts this week.

## Math

Last week we began skip counting forwards and backwards by 10s and 100s up to 1000. We used our grids to help with this outcome.

Here are sample questions I may use for assessment:

Continue the following pattern:

221, 321, 421, \_\_\_\_\_, \_\_\_\_\_, \_\_\_\_\_, \_\_\_\_\_

Continue the following pattern:

876, 866, 856, \_\_\_\_\_, \_\_\_\_\_, \_\_\_\_\_, \_\_\_\_\_

Continue the following pattern:

933, 923, 913, \_\_\_\_\_, \_\_\_\_\_, \_\_\_\_\_, \_\_\_\_\_

This week we will begin working on counting forwards and backwards by 3s and 4s up to 1000.

I am sending a practice sheet with extra questions (if you would like your child to do some extra practice - this is not mandatory). I am also resending the 100s grid, in case they accidentally got thrown out. 😊 Feel free to send these practice sheets back and I can correct it and send it home with feedback. 😊
