

What's Happening in 3 FI

November 29th - December 3rd

Français

We will continue to work on the following:

- Sounds - è, ê, ë, ei, et, ai, est
- Sight words - *moi, du, des, quel, quelle, dans, besoin, regarde, peux, peut*
- Reading strategy for comprehension- **make connections with your experiences and what you know**

Social Studies

We have started working on our second inquiry question (theme), *Qu'est-ce qui rend ma communauté/province riche et diverse?* (What makes our community/province rich and diverse?). We have discussed what the question means and what possible answers are to the question. We will be learning about our town, province and country as well as locating them on a map this week.

English Literacy

Students will continue to work on writing seed stories this week. Each story needs to be about something that has already taken place. We have focused on making sure our writing has capital letters at the beginning of sentences, for proper nouns and the word 'I', periods at the end of sentences and that the 'no excuse' spelling words are spelled correctly.

Math

Last week we began representing 3-digit numbers in more than one way using base 10 blocks. We will continue working on this but with base 10 pictures as well. Below are games on our classroom blog to help strengthen these concepts:

<https://www.abcya.com/games/base-ten-bingo>

<https://www.ictgames.com/sharkNumbers/mobile/index.html>

We will also continue working on mental math strategies. Students are expected to be able to show their strategy for basic addition facts. I will be doing quick check-ins to see if students can use their doubles, near doubles and friends of 10 strategies to quickly and efficiently solves these questions.
