

What's Happening in 3 FI

March 28th - April 1st

Français

This week we will be working on the following:

- Sound - **eu**
- Sight words - *vous, jamais, ta, ton, tes, même, vite, bien, oui, non, jusqu'à*
- Reading strategy (comprehension) - **identify the key words and important ideas**

Cross-Curricular Block/Social Studies

Students will be finishing up their independent writing piece this week. This is a letter to a friend inviting them to New Brunswick. Once these pieces are complete, I will send them home with a sheet indicating whether they are *working below, approaching* or *meeting* grade level expectations.

Math

We will continue working on estimating using 2-digit numbers. Students are expected to use a strategy when asked to estimate. Below are examples of the three strategies students will be learning:

Strategy	Example
Round both numbers to the nearest 10	$34 + 29$ $30 + 30$
Round one number to the nearest 10, keep the other the same	$34 + 29$ $34 + 30$
Add the two tens together	$34 + 29$ 3 tens + 2 tens = 5 tens or 50
