

What's Happening in 3 FI

April 4th - 8th

Français

This week we will be working on the following:

- Sounds - *ail/aïlle, eil/eille*
- Sight words - *hier, temps, froid, chaud, avant, en arrière, dessus, dessous, ouvrir, porte, dit*
- Reading strategy (decoding) - *try another sound*

Cross-Curricular Block/Science

We have started working on our new inquiry question, *What Happens in Nature?* We will be exploring animals, habitats, ecosystems, climate and plants. Students will be marked based on their participation during the discussions and activities we will have throughout the unit.

Math

This week we will be working on estimating using 2-digit numbers with subtraction.

Students are expected to use a strategy when asked to estimate. Below are examples of the three strategies students will be learning:

Strategy	Example
Round both numbers to the nearest 10	84 - 29 80 - 30
Round one number to the nearest 10, keep the other the same	84 - 29 84 - 30
Subtract the two tens	84 - 29 8 tens - 2 tens = 6 tens or 60
