

What's Happening in 3 FI

May 24th - 27th

Français

This week we will be working on:

- Sound - *ill*
- Sight words - *te, fort, demain, doit, parfois, se, vont, propre, venir, déjà*
- Reading strategy (comprehension) - *make inferences as you're reading (read between the lines)*

To be **MEETING** grade level expectations in reading for THIRD term, your child needs to be reading at levels **J-L**. **STUDENTS ARE STRONGLY ENCOURAGED TO PRACTICE READING EACH NIGHT.**

They have books in their communication books that they choose at the beginning of every week to bring home and practice.

Cross-Curricular Block/Science

This week in science we will be looking at the inside of seeds and planting seeds. We will be discussing what plants needs for proper growth and making predictions on what we will happen if plants don't have what they need to grow. Students will be assessed based on their participation during class discussions.

Math

We have been working on the passage of time using minutes, hours, days, weeks, months and years.

We have discussed activities that can be completed in a minute, what unit of measure we would use to measure certain activities (recess time, math class, a school year, Christmas vacation, etc.)

We are now exploring calendars and discussing which months have 31 days, 30 days, and 28 days.

We will also be working on problems with time. Here are some examples:

- I walked to the office in 62 seconds. Francois walked to the office in a minute. Who was faster and why?
- It took an hour to play a soccer game and 45 minutes to play a video game. Which activity took less time?

Reminders

- LIBRARY BOOKS ARE DUE EVERY TUESDAY.
- POPCORN FOR SALE EVERY THURSDAY FOR \$1.25.
- CINNAMON BUNS WILL BE SOLD EVERY TUESDAY. THEY NEED TO BE PREORDERED BEFORE TUESDAY. THE COST IS \$2.
- POPSICLES WILL BE SOLD EVERY TUESDAY AT NOON FOR \$1.
- Friday, May 27th - Students Council Crazy Hair Day \$1.

Join the Adventure!
