

What's Happening in 3 FI

May 9th - 13th

Français

This week we continue working on:

- Sounds - *eur/eure/oeur*
- Sight words - *arrive, courir, entre, côté, alors, faim, sur, encore, monter, monte*
- Reading strategy (comprehension) - *visualize the text in your head*

We will also be working on the following:

- Sounds - *ien/ienne*
- Sight words - *prendre, cacher, finir, derrière, chercher, en, mettre, écouter, nouveau, nouvelle*
- Reading strategy (decoding) - *ask yourself: Does this word make sense?*

To be **MEETING** grade level expectations in reading for THIRD term, your child needs to be reading at levels **J-L**.

Cross-Curricular Block/Science

This week in science, we will be working on examining seeds from different plants and learning about the different parts and functions of a plant. Students will be assessed based on their participating during class discussions.

Math

This week I will be formally assessing students on their understanding of adding and subtracting their basic facts using the following strategies: **doubles, near doubles, making ten and open number lines**. We have been practicing these strategies since September.

I will also be formally assessing students on 3-digit addition and subtraction using the following strategies:

- **adding left to right, base ten pictures, making ten (addition)**
- **open number lines, base ten pictures, making ten (subtraction)**

We will begin working on the passage of time using minutes, hours, days, weeks, months and years. Students will need to be able to relate the number of seconds to a minute, the numbers of minutes to an hour and the number of days to a month.
