

What's Happening in 3 FI

June 20th - 24th

Français & English Literacy

There will be no reading homework this week. 😊😊😊

Remember to practice your reading over the summer!

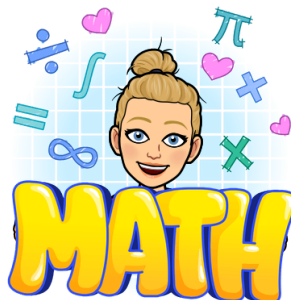

**PLEASE SEND BACK
ALL FRENCH,
ENGLISH AND
LIBRARY BOOKS YOU
HAVE AT HOME.
THANKS!**

Math

Throughout the summer, your child should continue practicing the following skills in order to be ready for grade 4 in the fall:

- * Basic addition/subtractions facts to 18
- * 3-digit addition and subtraction up to 1000
- * Mental Math strategies
- * Estimating 2-digit numbers (rounding to the next ten). For example, $43 - 19$ can be rounded to $40 - 20 = 20$
- * Skip counting: by 2s, 5s and 10s using any starting point, by 3s using starting point that are multiples of 3, by 4s using starting point that are multiples of 4, by 25s using any starting point that are multiples of 25.

Having a strong foundation with these skills will help prepare your child for a great start to grade 4.
